Headline:
Cloudy with patchy rain today. Brighter from Sunday.

Today:
A dull, cloudy day with intermittent rain, becoming more persistent during the afternoon with some heavier bursts at times. May briefly turn wintry in the north late in the day. Cold and breezy, especially along the coast. Maximum temperature 5 deg C (41 deg F).

Tonight:
The rain will steadily die out during the evening but it will remain overcast for most of the night. Blustery winds along northern coastlines with wintry showers at times. Minimum temperature 1 deg C (34 deg F).

Sunday:
A brighter day with occasional sunny spells, but still feeling cool in a northerly breeze. Some showers may develop during the afternoon but these will be few and far between. Maximum temperature 7 deg C (45 deg F).

Outlook for Monday to Wednesday:
Feeling milder from Monday with prolonged sunny spells. Some showers possible on Tuesday with a low risk of hail in any heavier bursts. Brighter conditions again on Wednesday.
